WELCOME

At Northampton School, we aim to provide a safe, supportive, and inspiring environment built on mutual respect, high expectations, and a commitment to excellence. We encourage leadership, healthy competition, and personal growth – celebrating success both inside and outside the classroom. Our philosophy of Nurturing Success is at the heart of everything we do. Every student, regardless of their starting point, is supported to make exceptional progress. Those who excel are given opportunities for greater challenge through lessons and a wide range of extracurricular activities, while students with specific educational needs receive tailored support guided by the Northamptonshire SEND Ranges.

Our state-of-the-art facilities include a Dance and Drama Studio, nine music practice rooms, a Sports Hall, Fitness Studio, All-Weather Pitch, extensive playing fields and specialist areas for Science, Design Technology, Art, and Music.

At Northampton School, we inspire our students to dream big, aim high, work hard, and achieve greatness – and we're just getting started. It is my strong belief that an active student is both a happy and successful one so I particularly look forward to welcoming staff who want to join me and the current team on this exciting journey.

We welcome all interested applicants to arrange a telephone/video call to learn more about Northampton School and what we could offer you as a member of staff.
